

UNITED HOME CARE

Jackson, California

NOW HIRING

PHYSICAL THERAPIST

Work for a company who provides
"Simply, the best care."

United Home Care is situated in the quiet foothills of the Sierra Nevada mountains in Northern California. For the outdoor enthusiast, there is not a more beautiful place to call home and is centrally located to Lake Tahoe, San Francisco, and Yosemite.

This position will provide evidence-based physical therapy to our patients in the privacy of their own home. We are seeking people who are passionate about healthcare and want to change the lives of our patients in an environment that is conducive to their recovery process.

This position will require a current California Physical Therapy license, a compassionate outlook, be self motivated to act individually yet be an effective team player, have a strong work ethic and be driven to provide world class care.

If this is you, we want to hear from you!
