

Washington Outpatient Rehabilitation Center: Washington Hospital Healthcare System

Job Title: Physical Therapist

General Summary of Duties: Washington Hospital Healthcare System's is seeking a full-time physical therapist for their Outpatient Physical Therapy and Sports Medicine Care Department. Our therapists provide and direct all aspects of quality patient care, including evaluation and treatment, treatment planning, goal setting, family education and documentation according to organizations guidelines, professional standards and community needs. They Serve as a patient and rehabilitation advocate for current and prospective patients, and to all internal and external customers.

Responsibilities:

- Assessing patient condition, establishing goals, treatments and care plans in conjunction with patient/family
- Ensuring that appropriate treatment is performed in interdisciplinary fashion; consulting with physicians and other departments about the impact of physical therapy factors on patient health status
- Documenting treatments and other patient information for medical record
- Educating patient/family on appropriate care of various therapies/exercises, such as proper body mechanics and home exercise programs
- Contributing to the progress and development of the organization's adopted compliance program
- Reporting observed or suspected safety violations, hazards, and policy/procedure noncompliance to the safety officer
- Analyzing work area and making recommendations for potential cost-effective improvements
- Complying with appropriate clinic policies related to infection control, safety, regulations

Schedule: Full-Time (Typically 40 hours per week. May consider four ten-hour shifts!!!)

Education:

- Graduated from an accredited physical therapy program
- Must have your physical therapist license in the state of California
- Current BLS certification required
- Participation in a professional organization is desirable

Experience:

- Must be computer literate, EMR experience is a plus
- Sports medicine experience preferred
- **Willing to train, new grads welcome to apply!**

Knowledge and Abilities:

- Knowledge of physical therapy principles, standards and applications.
- Knowledge of how to use/maintain physical therapy equipment.
- Knowledge of center policies, procedures, regulations, safety, infection control and quality control requirements.
- The ability to evaluate utilization and quality data and make necessary modifications in performance.

Compensation and Benefits:

- Starting pay is negotiable and will depend on experience
- Medical, dental, vision, and life insurance
- PTO and paid holidays
- CEU Reimbursement
